New Submission for SME NAMRC 53 (Manufacturing Systems)

[Submission templates](#)

Click on "Submission templates" to **download submission templates for this conference**.

Follow the instructions, step by step, and then use the "Submit" button at the bottom of the form. The required fields are marked by *.

Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.

[†] Note: leave first name blank if there is no first name. If you are not sure how to divide a name into the first and last name, [read the Help article about names](#).

Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

Title: *

Abstract: *

Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords: *

Other Information and Files

Submission group. If your submission belongs to any of the following, tick the corresponding boxes

- I would be interested to fast-track my paper to JMS
- I would be interested to fast-track my paper to JMP
- I am not interested to fast-track my paper to any SME journal

Student Research Presentation Competition. Check this box if the paper will be presented by a student (already indicated as the speaker) and if you want to express interest in entering into the "Student Research Presentation Competition". The Scientific Committee will prepare a short list of student presenters based on the quality of the papers and notify the candidates in early April. Additional information is available on <http://www.sme.org/namrc-student-research-presentation-award/>

- I would be interested to participate to the Student Research Presentation Competition

Contribution from KSMTE. The Submissions are from researchers in Korea - from a KSMTE member or at a recommendation of KSMTE. This is to make an effort to encourage collaborations between KSMTE and SME.

- Contribution from KSMTE

Paper. Upload your paper. The paper must be in PDF format (file extension .pdf)

No file chosen

Source file(s). Upload the source file of your full paper. For initial submission, the source file must be in Word or LaTeX. For final submission, the source file must be a zip file containing the Word or LaTeX file AS WELL AS the pdf file.

No file chosen

Rebuttal (point-to-point response). Upload your rebuttal to the review. The rebuttal must be in PDF format (file extension .pdf).
